Processor resources and system have been reviewed and the above listed processes are included on the MRAS Approved Processor Listing. Approval subject to limitations noted. This document does not in itself constitute a waiver of specification requirements as to inspection, testing, maintenance of records, and/or other provisions of the Purchase Order/Sub Contract, nor does it guarantee the acceptance of articles produced for MRAS. Inspection of facilities may be conducted at any time by a MRAS Representative to determine continued compliance with MRAS requirements. Approval is valid 3 years from the date of approval. Unless otherwise noted, approval is valid until 31-DEC of the expiration year.
